

General Fund Levy Per Pupil — FY 2019

By School District

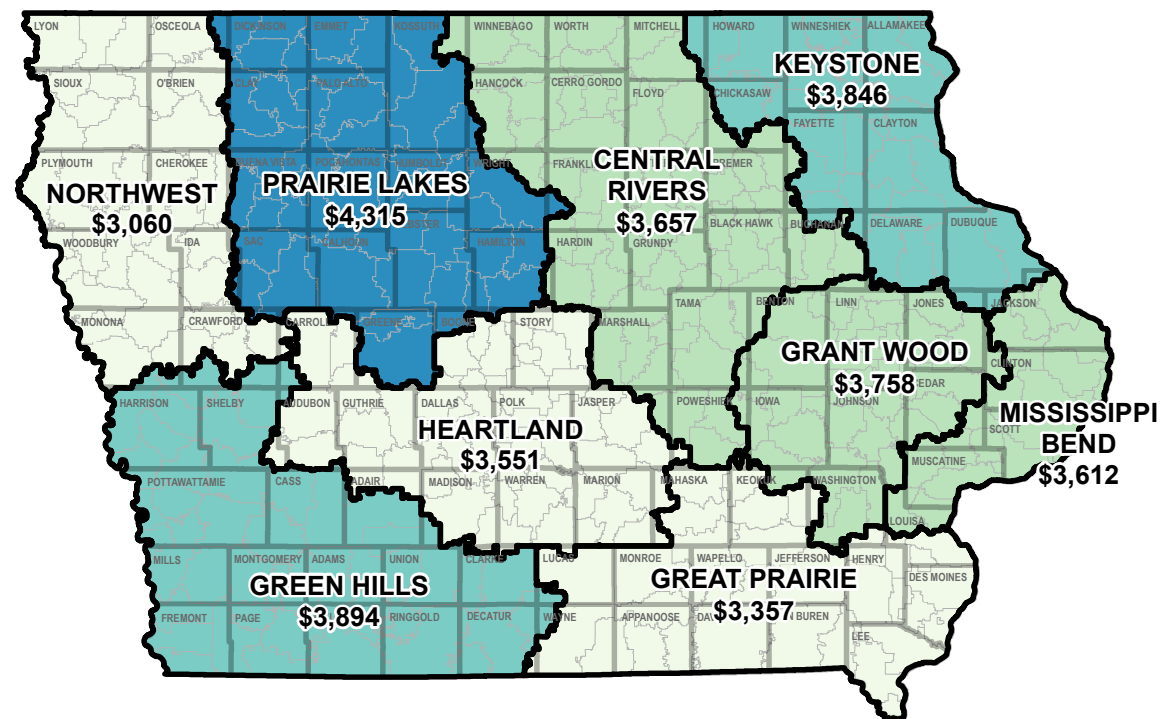

\$3,891

Statewide Average
Per Pupil Levy

Per Pupil Levy by
School District

By Area Education Agency (AEA)

Per Pupil Levy by
AEA

Note: The General Fund levy per pupil is calculated by the Department of Management as the total school district General Fund levy divided by budget enrollment. Budget enrollment is equal to the certified enrollment count from the previous year's October enrollment count. Variation in the General Fund levy is reflective primarily of property valuation differences between districts.
